Parcel Information – page 1

Please copy and complete these two pages for each property.

A map of each municipality is included with these survey forms. Each municipality is asked to indicate, on this map, the publicly-owned parcel(s) associated with the Block & Lot / Tax / Property ID Number(s) entered in the table below. Please assign a sequential number for each parcel, beginning with the number one, and note it on the provided map and both pages of this survey. This is to be accomplished for all park, recreation, open space, and greenway properties in your municipality. If you have a map for your municipality that you would like to use, please feel free to do so. Please also submit any copies of any existing property maps and digital GIS or CADD site files available.
